The image shows the reverse side of a silver laptop chassis. At the top, the hinge mechanism is visible, including a central pivot point and two side mounting brackets. The chassis is perforated with numerous circular mounting holes. Two horizontal, elongated oval-shaped cutouts are positioned in the center. Two labels are affixed to the lower half: a smaller one on the left and a larger one on the right. Both labels contain barcodes and alphanumeric text. The larger label on the right includes the text "SAMSUNG ELECTRONICS CO., LTD." and "SAMSUNG". The entire unit is held in place by yellow tape at the corners.
